FROM THE CHAIR...

I would like to start off by thanking everyone for the beautiful flowers sent from ASQ during the loss of my brother. Your kindness was a great comfort to my family and myself. While it is true that we have sustained a great shock and a great loss by his sudden passing, we believe the greatest tribute to him will be maintaining the high professional standards he represented and so strongly encouraged.

Miss Andrea Farmer will be giving a presentation on the *Summer Participation Grant for Meaningful Learning for the Work World*. Through visiting Champion Laboratories and shadowing Champ personnel, Miss Farmer plans to share the information with her students, making them aware of the importance reading, writing, and speaking Spanish can be in their professional lives. Miss Farmer is an excellent speaker and you will not want to miss this presentation.

Our next ASQ meeting will be on **November 20, 2003**. Please be sure to call your reservations in by Thursday, November 13, 2003. You may call Diana Emmons at 618-445-5643 or email Diana at demmons@champlabs.com to book your reservation.
