## FROM THE CHAIR...

The November meeting of the IECC-Olney ASQ Subsection will be held at Ty's Buffet in Olney, IL. The only cost to attend the meeting is the cost of your meal, with each member responsible for their own meal. The food buffet will close at 7:00, so members are encouraged to eat as soon as they arrive. The cost of the meeting room will be absorbed by the Subsection. The program will begin at 6:30 PM.

Wesley Richardson will be presenting the program for November. Wesley Richardson is Quality Knowledge Manager at Quality Council of Indiana. He has 11 ASQ Certifications: CCSSBB, QCMgr, CQE, CQA, CRE, CSQE, CMI, CQT, CCT, CQIA, and CQPA. Wes has over 25 years of quality management experience, including ISO 9001 ISO/IEC Guide 25, ISO/IEC 17025, SAE AS 7101, and cGMP. Wes earned his B.S. in Metallurgy from Massachusetts Institute of Technology, M.S. in Metallurgy from Case Western Reserve University, and M.B.A. Business from the University of Kentucky.

He is a Senior Member of ASQ and a Senior Member, Treasurer and webmaster of SME Wabash Valley, Secretary and webmaster for ASM Wabash Valley, and is a member of SAE International, International Quality Federation, and Society of Carbide and Tool Engineers.

## November 2005 Meeting

Topic: ASQ Certifications Update

This meeting will discuss new and revised ASQ Certifications and will include passing percentages for past exams. ASQ has released the Certified Quality Process Engineer (CQPA), and updated the CQM to the Certified Manager of Quality, Organizational Excellence (CMQ/OE).

The Certified Six Sigma Green Belt (CSSGB) is expected to be released in October, 2005. A revised Certified Quality Engineer Body of Knowledge is expected in early 2006.

If you are considering taking an ASQ Certification or would like to know more about Certification, this is a meeting for you. This will be an opportunity for you to ask specific questions about Certification.
